

ENCOUNTER | EQUIP | ENGAGE

July 2021

Dear Applicant,

Thank you for your interest in joining our team at Cliff College. Set in the beautiful Peak District in Derbyshire, Cliff is a college in the evangelical Wesleyan tradition that has trained and equipped people for mission and evangelism for over 100 years. Our love for Jesus and our passion to see people come to know Him is the same as it was when the College was founded. Our students and staff come from a wide range of Christian denominations and traditions, but we all share a heart for the transformation of individuals and society through the spread of the gospel in word and deed.

We are looking to expand our Learning Innovation team to develop and implement our learning innovation strategy over the next five years. In particular, we are recruiting a Media Content Producer to bring their specific gifts and experiences to this team.

Please read the job description and person specification carefully and notice that we accept applications via the College's application form or a CV with covering letter. In the covering letter we are inviting you to give us information that will allow us to assess how closely you meet the requirements of the person specification. You may draw on all aspects of your life: education, employment, voluntary work, church, interests, and home life, for example. Please provide evidence when you make statements, e.g. 'I work well in a team' – try to describe an example of when and how you contributed to a team.

If you would like an informal conversation about either post, please contact Kathryn at k.young@cliffcollege.ac.uk or phone her on 01246 584200 and she will be happy to arrange this for you.

The deadline for applications is **Monday 6 September at 12.00 noon**. Interviews will take place on Tuesday 21 September 2021.

We look forward to receiving your application.

Yours in Christ,

Rev. Ashley Cooper
Principal
